Welcome to
Hyderabad 2026

Hyderabad, the vibrant capital of Telangana, is a city where history and modernity blend seamlessly. Known as the "City of Pearls," it has been a thriving center of culture, commerce & innovation for centuries.

MESSAGE

Dear Esteemed Colleagues,

It is with great pleasure and excitement that we invite you to W4C 2026, the 6th World Conference on Comprehensive Critical Care, to be held from October 9th to 11th, 2026, at the prestigious Yashoda Hospitals in Hyderabad, India.

W4C 2026 will bring together some of the brightest minds in critical care from across the globe. This event promises to be an unparalleled opportunity to engage in insightful discussions, explore groundbreaking advancements in critical care, and exchange ideas with professionals dedicated to improving patient outcomes.

Our conference program will feature state-of-the-art scientific sessions, interactive workshops, and enlightening keynote addresses from renowned international experts. Key topics will include the latest developments in intensive care, cutting-edge technologies, patient safety protocols, and the future of critical care medicine.

Hyderabad, the vibrant capital of Telangana, is a city where tradition meets modernity. Known as the "City of Pearls", Hyderabad offers a unique blend of rich cultural heritage and rapid technological advancement. The city's warm hospitality and rich history will provide the perfect backdrop for academic excellence and a memorable social experience.

We encourage you to mark your calendars and register early to secure your participation. Join us in this historic event that aims to set new standards in critical care practice and foster collaborative efforts for global healthcare improvement.

Venue: Auditorium, Yashoda Hospitals, Hitec City, Hyderabad | Dates: 9th – 11th October 2026
